

Acme Robotics Corporation — Employee Handbook

Mission. Acme Robotics builds autonomous warehouse robots that reduce manual handling injuries and increase throughput. The company was founded in 2019 in Boston, Massachusetts and now employs 312 people across four offices.

Benefits. Full-time employees receive medical, dental, and vision insurance with 90% of premiums paid by Acme. Acme contributes 6% to every employee's 401(k) regardless of personal contribution. Paid parental leave is 16 weeks for the primary caregiver and 8 weeks for the secondary caregiver.

Remote Work Policy. Engineering and design staff may work remotely up to three days per week. All staff must be on-site Tuesdays and Thursdays for collaboration time. International remote work requires written approval from HR and is capped at 30 days per calendar year.

Code of Conduct. Acme prohibits harassment and discrimination on the basis of race, gender, sexual orientation, religion, disability, or age. Violations should be reported to the Ethics Hotline at ext. 4500 or via the confidential web form on the internal portal. Retaliation against good-faith reporters is itself a terminable offense.

Expense Reimbursement. Business expenses must be submitted within 30 days via the Acme Expense portal. Meals during overnight travel are reimbursed up to 75 US dollars per day. Rideshare and taxi fares are reimbursed at actual cost with a receipt.
